State-Specific Controlled Substance Requirements | Presented to you by www.reliefrover.com

TOPIC	DETAILS
Michigan PMP	<p>defines “dispenser” as a practitioner who dispenses, including veterinarians in the definition of “practitioner” or “dispenser” but has a reporting exception for a veterinarian who dispenses less than a 48-hour supply to a patient</p> <p>veterinarians are specifically excluded from mandatory use.</p>
Prescribing/Dispensing	<p>333.17751</p> <p>Sec. 17751. (1) Except as otherwise provided in section 17744f, a pharmacist shall not dispense a drug requiring a prescription under the federal act or a law of this state except under authority of an original prescription or an equivalent record of an original prescription approved by the board. A pharmacist described in section 17742b(2) may dispense a drug pursuant to an original prescription received at a remote pharmacy if the pharmacist receives, reviews, and verifies an exact digital image of the prescription received at the remote pharmacy before the drug is dispensed at the remote pharmacy.</p> <p>(2) Subject to subsections (1) and (5), a pharmacist may dispense a prescription written and signed; written or created in an electronic format, signed, and transmitted by facsimile; or transmitted electronically or by other means of communication by a physician prescriber, dentist prescriber, or veterinarian prescriber in another state, but not including a prescription for a controlled substance except under circumstances described in section 17763(e), only if the pharmacist in the exercise of his or her professional judgment determines all of the following:</p>
Telemedicine	No existing laws.
VCPR	Michigan rescinded the definition of VCPR in its Practice Act in 2019. However, to be conservative, utilize the general guideline of establishing VCPR with in-person visits at least annually.
Veterinary Professional License	License renewals for veterinarians and veterinary technicians will occur every 3 years.
State License	Michigan does require DEA registrant practitioners to obtain a second state controlled substance license, prior to a DEA registration and an active Veterinary Medical Professional License to practice in Michigan.
Recordkeeping	Records must be maintained for a period of two years from the last transaction date recorded.
CE	<p>Veterinarian: 45 hours every three years</p> <p>Veterinarian Tech: 15 hours every three years</p>
